## ANTHROPOLOGY GRADUATE PROGRAM $2^{ND}$ YEAR ACTION PLAN

N.I			
Name: Date:			
	Academic Year goals. What goals do you have for this academic year? What would you like to accomplish? Why is this important to your trajectory? How will the timing work? (Please address these questions with bullet points).		
2.	Conference participation.  What conference(s) do you want to attend during this academic year? How can you get the most out of them? How might you fund your participation from internal ND grants or externa grants? (Please address these questions with bullet points).		
3.	<u>Long-term self-reflection</u> . Thinking ahead, where do you see yourself in 4-5 years? To get to this point what major areas in your background will require further development?		
4.	<u>Summer research</u> . Please outline your preliminary thoughts on what you would like to accomplish next summer. How will this plan expand your background and further your proposed dissertation research? How will this plan be funded?		
Please set up a meeting with your Graduate Committee to discuss these questions in the next few weeks. Please have your committee members sign the paper form. Based on these discussions, please address these questions in point form, and provide Michelle Thornton a hard copy by the last Friday in September. Email a copy to the DGS and your committee as well.
